

Merry Christmas

Congratulations Alice!

Alice is our first £1000 winner in the Grand Christmas Prize Draw.

Alice, a Mum of two from Poplar, is the first Chrisp Street Shopper to win £1000 in the great Chrisp Street Prize Draw. When Alice got the call to give her the good news she said 'Oh my goodness, I never win anything! This is going to make such a difference to our Christmas. Alice shops regularly in Chrisp Street and loves Carmen's Family Coffee House. 'Sophia is lovely and it's so child friendly! And of course the coffee is great!

Don't miss out on your chance to win another £1000 on 14 December and again on 21 December. The last draw will also include the chance to win one of 40 £50 vouchers to spend at participating shops in Chrisp Street Market.

All you need to do for a chance to win is spend £5 at any store in Chrisp Street Market. See posters in the shops or around the Market for full details

The Grand Prize Draw, with a total prize fund of £5000, is sponsored by Telford Homes and supported by Tower Hamlets Council and Poplar HARCA.

Alice collecting her prize from Simon Carroll, Engagement Coordinator at Telford Homes.

CHRISP ST_{E14} NEWSLETTER

Mayor John Biggs marks the start of the regeneration of Chrisp Street

The Mayor said:

“This exciting milestone marks the start of the Chrisp Street regeneration, which will bring investment, new homes, shops and business units, plus community facilities to the area. I’m very pleased to be here today to celebrate this landmark event.”

The scheme’s first community facility has already opened on the site, following the launch of the brand-new Children and Family Centre in September, which was delivered by the London Borough of Tower Hamlets, in partnership with Telford Homes and Poplar HARCA.

The Mayor joined retailers and local residents to celebrate this milestone

The new market, which will pay homage to the original Chrisp Street Market 1950s design by renowned architect Frederick Gibbard, will bring an array of entertainment, shopping and dining options for residents, shoppers and the local community to enjoy, including a brand-new supermarket, a cinema, restaurants, retail space, pocket parks and community facilities.

COMING SOON!

'Zedify will be providing a local, zero-emissions delivery service on cargo bikes to businesses in the Chrisp Street area. Their outreach has begun and will continue over December and into the new year, aiming to discover how best to lift the burden of local delivery from businesses in the local area.'
